Read Ephesians 4:17-24 and here is what you will find. Paul affirms with the Lord that the Christian should no longer live like those in the world; those outside of Christ. Those "Gentiles" (pagans)...

1. Are excluded from the life of God because of ignorance
2. The ignorance is because they have hardened their hearts.
3. This hardness has led to a callous mind and a life given to sensuality, impurity, and greediness.

The evidence of a soul separated from God because of sin is made evident by the life they live. But we as Christians are commanded to give up that former life and live a life that reflects the likeness of God.

Many Christians have failed to make the said transformation. They are still, in many ways, living like the "Gentiles." And in doing so cause reproach to be brought upon the Lord and His church. Not to mention crucifying the Son of God afresh and trampling underfoot the blood that was shed for their sins (Hebrews 6:6,10:29).

Many have failed and continue to stubbornly refuse to follow the instruction of Christ to take up their crosses (Matthew 16:24) and of Paul to be "living sacrifices" (Romans 12:1-2). How many are actually following the instruction of Inspiration to have the same mind as Christ (Philippians 2:5, 3:15)?

"Examine yourselves *as to* whether you are in the faith. Test yourselves. Do you not know yourselves that Jesus Christ is in you? Unless indeed you are disqualified" (2 Corinthians 13:5).

Do you *want* to be pleasing to God? Do you *want* to spend eternity in the home Jesus is preparing for you in Heaven? What do you need to give up? And before you say, "I can't," listen to Paul, "I can do all things through Christ who strengthens me" (Philippians 4:13). What it boils down to is a matter of "want to."

Bring your sins to Christ, obey Him, and be faithful! You can do it.

Ken Rabon will have surgery on the 28th on his back. **Coach Darrin Mayes**, teacher and coach at the Junior High, needs a liver transplant. Please pray that they can find a liver for this husband, father of small children, teacher and coach to so many of our kids.

Continue to Remember: *Melissa James, Ken Rabon, Mary Taylor, Jerry Greene, Kirby Whitley, David & Jennie Waggoner, Bill Wood, Brenda Estridge, Brownie Pickens, Wan & Sue Callaway, Khristie Beaird, Nikki Freeze, Alyene Williams, Alastair & Linda Ferrie, Coach Darren Mayes, Karla Brinkley, April Taylor, and Norma Stone-Davis*

As many of you have probably noticed, Coach Darren Mayes has been on our Continue to Remember list for over a year for his failing liver and health. We have received the following urgent request from his wife:

Hi everyone. Darren and I have always tried not to ask for help but we are at the point where we can't solve this problem alone. At Darren's last doctor's appointment we were told that he really doesn't have a chance of getting a liver while being on the list. Even though he is sick, he just isn't as sick as those ahead of him. The only real chance is to get a Living Donor. Baylor is at the top of the field in organ transplants. The living donor would have to be 18-55 years old with the blood type of A, A+, O or O+. The liver in the donor does grow back to its original size. All the bills would be paid by our insurance company if they pass the screening. If you or someone you know would like information about being a Living Donor please call 214-820-9069 and talk to Tayana. She can give you all the information you would need to know. We do have some friends that have already called but we need more people to have a good chance of finding a suitable match. Please keep us in your thoughts, prayers and help us spread the word about being a Living Donor. You can also go to livingdonordallas.org. Thank you all for caring about our family.
