1 Corinthians 12:4-6.

"4 There are different kinds of gifts, but the same Spirit distributes them. 5 There are different kinds of service, but the same Lord. 6 There are different kinds of working, but in all of them and in everyone it is the same God at work."

It has been an exciting this month as we have focused on all being here and reuniting together in praise, worship and fellowship. I have been greatly encouraged, and I know that in our elders, deacons and ministers meetings, several others have expressed that same idea. Now part of the challenge is to keep the momentum going as we seek to be God's ambassador to each other and to the world we live in. With this in mind and referencing the above scripture among others, we are working to make sure that we have projects in place to reach out to the needs of this body and to the community, but we also want to make sure that we have people in place to be in charge of those things so that they are not slip-shod efforts that use resources but accomplish nothing. We are asking for your help and input. Below, you will find a list of some of the programs we have done in the past and that certainly have merit and value, yet may lack a defining purpose or someone to coordinate the effort. If you feel strongly about any single one of these projects, we encourage you to step forward and take ownership of it by working with us to coordinate the effort. Otherwise, these programs may simply be mothballed in order to prevent being busy but ineffective. I am not claiming to have these all listed, so if you can think of any others, please call it to our attention. Here is the partial list:

Preacher's Porch Continued

Thanksgiving baskets for those in need; Christmas party for the State Mental Hospital; Henrietta Care Center devotional; Christmas goody bags; Encouragement notes for those missing worship services; Sweethearts Banquet; mowing the north field; shoveling and sanding the sidewalks during ice storms; changing the flowers at the front of the auditorium/decorating; calling to check on shut-ins (especially during crisis or inclement weather), organizing the library, putting together Mother's Day gifts/cards, putting together Father's Day gifts/cards, organizing the Easter egg hunt. And more.

If no one has a heart or a passion for these programs, we are willing to let go of them to conserve resources. So if you have a heart for them, or even if you have already been doing them anonymously, please let us know so that they don't get dropped. We need your help and are looking forward to working together with you.
In Him, Todd
