**NOVEMBER**

21-23 Encounter at LCU- The cost is \$20.

Giving thanks to God.

**Point 1:** \_\_\_\_\_ that we have; every blessing, every gift, every possession, our health, our sanity, our salvation, everything worth having comes from \_\_\_\_\_.

**Point 2:** We Should always be \_\_\_\_\_ to God both \_\_\_\_\_ of our circumstances and in \_\_\_\_\_ of our circumstances.

**Point 3:** Thankfulness is a \_\_\_\_\_; not a date on the calendar. We should always seek to see what we have and what we have been given. This allows us the peace that passes understanding because it allows us the proper perspective... \_\_\_\_\_ is in control.

**Point 4:** Above all, we should be thankful not for what we have physically, but the \_\_\_\_\_ we have received because of the gift of God; His \_\_\_\_\_.

That Day Came Unexpectedly  
by Aaron Veryon

On the morning of Sunday, December 7, 1941 (67 years ago), Japanese warplanes unleashed a stunning surprise attack on the United States naval base at Pearl Harbor. The attack, which came while many U.S. military personnel were still in their bunks or going about the usual routines of a casual Sunday morning, was so startling that not much of a defense was able to be raised against the onslaught. As a result of the events of that day, it is estimated that 2,402 U.S. military personnel were killed and another 1,282 were wounded (not to mention non-military casualties).

On the morning of September 11, 2001, terrorists pulled off a surprise attack against the United States that was so unexpected and shocking that many of us watched in disbelief as the events unfolded on our television screens. The attack, which came while people were coming and going through the usual routines and paces of daily life, was so startling that virtually no defense could be raised against the onslaught. It is estimated that nearly 3,000 innocent people perished that day.

These two tragic events were indeed horrible and shocking (to say the very least), however nothing we have ever experienced can compare to the "Day" in which Christ will return to judge the world (also known as "the Day of Judgment"). It will be a great day for those who will be saved (Matt. 25:34), but it will be sad and terrifying day for those who will be lost (v. 41). Just as men were caught off guard on December 7, 1941 and September 11, 2001, so shall many be caught off guard on the last day (Matt. 24: 36-44).

Jesus revealed that no one (except God the Father) knows when that day will come (Mk. 13:32), nor do they know what hour (v. 35). <sup>34</sup>"Be careful, or your hearts will be weighed down with carousing, drunkenness and the anxieties of life, and that day will close on you suddenly like a trap."<sup>35</sup> For it will come on all those who live on the face of the whole earth. <sup>36</sup>Be always on the watch, and pray that you may be able to escape all that is about to happen, and that you may be able to stand before the Son of Man."<sup>36</sup> (Lk. 21:34-36).

Are you ready for that Day to come?
