Small Groups Tonight

Are You Having Only Dessert?

God continues to bless this church. This fall small groups are meeting every week, SonShine House is meeting more needs in the community, we had the privilege to host the area wide Thanksgiving service in November, the children's and youth programs continue to make an impact on families. All of these activities come along annually, monthly or weekly but they all have one thing in common. All of them are opportunities to encourage and serve others. If you're only attending the Sunday morning worship service each week, you're not getting the full meal that Christ has to offer through his church. It's like sitting down to a wonderful feast and eating only the dessert. It's easy, it tastes good, it feels good but it doesn't provide long term nourishment. Just like our body needs meat, vegetables, bread and water to sustain life, the spiritual body needs encouragement, fellowship, and service to go along with the weekly worship service. Worship is a very important part of being a Christian. By taking advantage of the other opportunities that come with being an active part of Christ's church, worship becomes stronger and more meaningful.

Join a small group, bring your kids to class on Sunday morning and Wednesday night, and come to the monthly fellowship meal. We all need the church and the energy it provides to get thru life on earth. God gave everyone talent to use for His purpose and He expects us to use our talents to encourage others and be a positive influence in a sinful world. Put your God-given talent to work. If you are looking for opportunities to serve, let one of the Elders or Deacons know. There is a lot of work to be done. God Bless, Brad Yurcho

Nils Donnell, Selinda's father, is in the hospital with a blood disorder, in addition to other issues.
