## Encouraging the Encourager February 11, 2017 Edgemere Church of Christ

Congregational leadership is not an easy task. Whether you are an elder, deacon, minister or serve in another role of church leadership, you are often faced with the challenge of practicing wise counsel to serve the gospel and the well-being of others. To encourage and equip you, this year's leadership forum focuses on two distinct areas.

First, beginning with the recognition that all of us are first followers of Jesus, we will pay close attention to our own spiritual development. Second, we will explore effective models and processes for elders, ministers, and church leaders to work together for the sake of God's mission.

This year's conference is a partnership between the Edgemere Church of Christ and the Siburt Institute at Abilene Christian University-which has presented ElderLink conferences across the country for sixteen years. We hope you will join us on February 11, for a great day of learning and fellowship. You will find encouragement.
