“My brothers and sisters, if anyone among you wanders from the truth and is brought back by another, you should know that whoever brings back a sinner from wandering will save the sinner’s soul from death and will cover a multitude of sins.” James 5:19-20

The truth. One can wander from it. One can twist it. One can falsify it. One can corrupt it. Someone has said that figures don't lie, but liars figure. The news media does not present material to tell one what to think, but it does present material for you to think about. Many times the “truth” lies just below the surface and the news doesn't present the whole picture.

Sometimes one's opinion manipulates Scripture to make the opinion a fact. God told the priests to get their fire from the altar. Two men did not like that teaching so they decided they could get fire from any place, because, after all, fire is fire. As a result they perished.

God's truth is not to be trivialized, altered, twisted or falsified. It is to be learned and obeyed. One must take care not to be “blown about by every wind of doctrine,” but to stay steady to the course of truth found in God's Word. Our future depends on it.
