Superstitions abound in most cultures. Innocent things become powerful when associated with life and death. Magic, hexes, occult and various other ideas are perpetuated among families and friends who believe that these ideas are true. Witches, mediums, wizards and Harry Potter just reinforce the tales and lore of such teachings.

The apostle Paul's letter to Timothy urges the young evangelist to oppose such teachings in Ephesus. The people responded by their obedience to the gospel of Jesus and burned their magic books to the tune of 50 thousand silver coins (Acts 19:19).

The good news about Jesus brings salvation from sin and a trust in Him so that one does not need superstitions or magic to assure them of eternal life. Salvation is in the name of Jesus who is the atoning sacrifice for your salvation. Who do you trust; an idea, a superstition, a hex, a medium, or the Son of God? Jesus said, "I am the way, the truth, the life, no one comes to the Father except through me!" (John 14:6). One does not need anything but trust in Jesus. Joe Williams
