 LTC Dates March 30th - April 1st, 2018

At one point in my life I was asked to join a community service organization. I was told the meeting time and where the club would meet. It was, of course, at a restaurant for lunch. The meeting was held and the agenda for the day was about the purchase of a piece of land. Later in the day the man who invited me to the club meeting asked me about joining. My question to him was, "What does the club do?" "What service to the community does it perform?" The only answer I got was, "Well, we are buying this piece of land." I asked, "What's it for?" No answer, I didn't join a club that eats and does nothing.

Sometimes I see God's congregation in a similar way and I ask, "What does the congregation do for lost souls?" I cannot speak against eating together because I believe it to be a wonderful time for support and encouragement. It can be a source for evangelism and support. It can be a great tool for the advancement of Christianity. So, let's use it for outreach, edification and encouragement and bring lost souls to the Lord.
