Willie Gley, our missionary to Togo & Ghana, was here recently and reported on the work in those countries. The preaching school there has a goal of teaching its students to be self-supporting through agriculture. They are currently raising funds for a farm tricycle, a motor bike, a water well and poultry. Their goal is to raise \$13,700 for these items. They are also raising money to build church buildings in surrounding villages at a cost of approximately \$1,000 each. To date, their preaching school has trained 53 preachers. Willie told us they are averaging a baptism per day. If you would like to donate toward this cause, please see Brad or Scott.
