Today

Following the am service, we will be putting together food baskets for families in need. We hope you are able to stay and help with this community outreach.

This year we are partnering with Clay County Mission and area church's to provide Christmas to the less fortunate in our county. On the office window are ornaments that have a children's information on them. Please let Dana know if you take a child to sponsor so we can keep record of it or if you would like to make a monetary donation Dana will go shopping for these kids. All gifts must be turned in to the office December 8th. This is a great outreach to the children in our community.
