As you have read or heard the Clay County Outreach Pantry, a county non-profit, has recently received the Holman Center from the Henrietta City Council. This is an awesome opportunity for the outreach to serve more patrons who are food insecure in our area; however, in moving to the larger building funds are need for equipment, reconfiguration of the building, and sustainability. The First United Methodist Church Mission Committee and the United Methodist Church has united with interested citizens and the Clay County Outreach Board to form

"Mission Impossible!" This group of concerned Christian citizens would like to invite you to be a part of the Mission Impossible! Group. You can call Sharon Fitts, co-chair of "Mission Possible!", to get more information or to volunteer. Her information is as follows:
