Thanks you to each one who wrote. What an encouraging thing to do. I'm not sure I have experienced that from the leadership of a supporting congregation, except for our actual overseeing congregation, in over 50 years of mission work. Thank you very much and we appreciate greatly the \$100 monthly the Henrietta church sends. In 3 more days we conclude our \$100,000 matching challenge. As of today we have received \$122,392. Our donors are the best!

Thank you for the wonderful letters. Please thank all from us. We really appreciate it. Thank you also for forwarding our reports onto the leaders there.
God Bless.
In Him,
Brother George

Dear brethren,
I wish to express my thanks and appreciation for the love and care you have demonstrated by sending me these mails. I am encouraged. I preached in a town called Akata in Togo about two weeks ago, and after the church service, the ladies met me with a special need. They need a capital of about \$1,000.00 which is about Cfa 500.00 to invest in a production of palm oil for sale. The ladies will form an association, purchase the palm nuts and extract oil. They have a ready market but lack funds. The objective is to use the proceeds from the sale to support their husbands, children and the church.

Should you be interested in giving the ladies this assistance, but need further information, please contact me. You will be blessed!
Looking forward to hearing from you.
Willie
