Our church directory is a great resource tool to get to know our church family better!

Simply go to the App Store, search for **Instant Church Directory** and download the FREE app to begin.

You will use your email address listed in the directory to CREATE A LOGIN the first time you use the directory app.

If you're not listed in the directory, OR if you have trouble logging into the app, please contact the church office.

Please insure that you have the Instant Church Directory App downloaded to your phone. If you need assistance doing this, please see Dana. We will be using the App to send out text messages with important church information. The Elders will also be using this to communicate with their assigned group. You will not be able to respond to these messages. If you need to make a response to the message sent, please call the office at 940-538-4564 or contact your Elder.
